## Helps

1.
  - a. Use paper, lace, material, etc. to decorate a card. Include a get-well message and give to someone who is ill.
  - b. Collect dried or silk flowers to arrange.
  - c. Encourage each child to be creative. Bake and paint.
  - d. Design a picture using shells and glue.
  - e. Make a simple string-art pattern.
  - f. Design and make a mobile using at least three patterns.
  - g. Use papier-mâché to make a model of an animal or car.
  - h. Use eggshells or seeds glued to cardboard to make and paint a design of their choice.
  - i. Cover an autograph or photo album with material.
  - j. Make a collage using a variety of materials, e.g., felt, wool, cotton, straw, bark, dried flowers.
  - k. Make your poster easy to read and colorful.
  - l. You may choose to have the children make the same type of craft item or give them several choices.
2. Encourage neatness and originality of design.
3. Hold the show during a parents' night or meeting, or during a nursing home visit.
